Melvin Taylor, ATL ACO Manager
Date: 7/2/98

Description of Type Design Change: This modification will install interior partition (class dividers) in Boeing 737-300 aircraft series per Aircraft Modular Products Drawing List-Partitions, DHL B737-300, -400, and -500, No. 2530-026-01, Revision E, dated February 5, 1992, or later FAA approved revisions.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. This determination should include consideration of significant changes in weight distribution such as increase in the fixed disposable weight in the fuselage. Compliance with FAR 25.853(c), Part I of Appendix F has been demonstrated. Compliance with FAR 25.853(c), Part V of Appendix E has not been demonstrated.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
